Bibich Computer Science Day 2018

Dear Parents,

Computer Science Day is **Tuesday, January 23rd**. Each grade level will enjoy the day participating in various activities throughout the school. Computer Science Day will require some parent help and support. I am looking for parent volunteers to help run sessions. In order to have a successful day we need all of the support we can get! **If you are able to volunteer, please send the bottom portion back to school with your child no later than Friday, January 12th.**

If you plan to volunteer, I will send a confirmation note back to you with your child the week before Computer Science Day. If you do not receive a confirmation note, please feel free to call me at school: (219) 322-1185 or via email: cperez@lcscmail.com. Thank you again for all your help and support!
