Parents of eLearning Students

The elementary art teachers have created an eLearning art supply bag that is available for you to pick up at your home school. The kit contains some of the supplies students will need for art class this semester. If you already have the supplies and do not want to pick up the bag, that is fine. The bags contain the following items and are only for 2nd semester elementary eLearning students: white paper, pencil, eraser, basic colors of crayons and markers. They can be picked up at your home school between 8:00am - 2:00pm.
