Recognize Outstanding Staff

Every week we send out a staff newsletter to our employees. In our staff newsletter we have a section where we recognize staff who have gone above and beyond that week for our students. We would like to open this opportunity up to our families as well. If you have witnessed any of our amazing staff members going above and beyond for our school and/or students please send our Assistant Principal, Mrs. Mitsch, a message or email recognizing these individuals (amitsch@lcscmail.com). We would love to share the news!
